**Notes:**

Sheet # is as the fuzz numbered them

All entries on Silly and weapons or dubious also appear on the main sheet

I have tried to preserve the data in its original form as best possible, hence the very similar

I think a lot of the rope and metal bits etc are for tents

This took a whil, but it took the police much longer so that's ok.

tents?

tent pegs?

(other sticks could have been described as something else)

r entries, and when quantities are described not by numbers.
